Welcome to  
Purgatory Golf Club...

Golf Digest described Purgatory Golf Club as "More Heaven than Hell." It is without a doubt beautiful. The fairways are lined with tall grass and many of them with bunkers filled with crushed limestone. The tall grass and bunkers will require strategy on your part. Playing smart off the tee, and proper tee selection is essential to a low score, as it will give you a better chance of staying in the fairway. The golf course design will reward your well-hit shots, and may penalize your poorly hit shots. The second-generation golf course Architect Ron Kern created a classic risk reward design that has grown into a masterpiece.
